

The Inner Circle.
Sandton's latest
half-billion-rand
commercial office
development
snatched by
Chinese steel giant

Location, Location, Location!

Situated on one of Sandton's finest pieces of real estate, the corner of Rivonia Road and Grayston Drive, right in the heart of Africa's financial centre, is Edge Properties' latest addition to the Sandton skyline.

Designed by Mark Oates, this 17-storey office tower features a futuristic glass-and-aluminium façade and utilises state-of-the-art technology, sustainable systems and recyclable materials.

Truly Iconic

"A timeless yet modern building, gracing the corner of one of South Africa's busiest intersections, is a monument to the innovations of the 21st century"
